

A referral may be considered to Section 504, special education or other district options. Some districts denote this referral process as Tier-4

When a student continues to fall significantly behind peers, even though classroom supports are provided, the teacher can refer the student to RTI.

When a student continues to fall significantly behind peers, even with Tier-2 interventions, the student may advance to Tier-3 interventions utilizing as SST.

Tier 1: All students

Tier 4

Tier 3

Tier 2
